

What area is considered LaVale?

LaVale was initially composed of residential areas along and near National Highway. Now LaVale includes these areas, as well as the Sunset View area, residential areas near the school and cemetery on Cash Valley Road, residential areas along Winchester Road, commercial areas with stores, restaurants, and businesses. Our community is larger and far less compact than other communities in the county.

LAVALE CIVIC IMPROVEMENT ASSOCIATION

ALL RESIDENTS AND PROPERTY OWNERS IN LAVALE ARE MEMBERS OF THE LCIA

.....

About Us

The LaVale Civic Improvement Association (LCIA) was formed in 1946 when the population was growing rapidly. Our goal is to maintain and improve the quality of life in LaVale through the diligent efforts of the residents and property owners in our mountain community.

The Braddock Run Watershed Association (BRWA) was initially formed in 2005 to address the problems caused by the damaging floods that had occurred in LaVale, and a few years later the two organizations merged their monthly meetings into one. The LCIA and BRWA partnership has been a great asset to LaVale.

The combined meeting is held on the 4th Monday of each month, March through November at 6:30 pm in the LaVale Library, rooms A and B.
